FROM THE EDITOR

Well folks, support for the Blues News has been overwhelming. It seems that there are a lot of blues lovers out there in the Inland Empire and beyond. And the Blues News is just what the doctor ordered to inform y'all to what's happening in our neck of the woods.

This month Willie Coaltrain has a new adventure. He really crackes me up!

And I would like to give **SPECIAL THANKS** to Southland Blues Magazine, through who's tireless efforts over the past years blues fans all over Southern California have had a medium for unity and growth. Southland Blues is a quality magazine covering Southern California, the nation, and abroad. It can be found all around and if you see one, pick it up, you won't be disappointed. Without Southland Blues, the Blues News would have never been. Thanks to Dan Jacobson and the Southland Blues for all they've done to help out the blues scene.

sincerely,

Eric Harnden

The Adventures of Willie Coaltrane

Willie swims at "The Lake"

I was cruisin' Riverside early Saturday night June, 24. In my dirt brown "73" Caddy Coup de Ville, I had the radio playing a light volume of John Lee Hooker's, "Boom Boom". I figured I'd grab a bite to eat and help myself to a little beer.

Well, I drove past a place called "LAKE ALICE TRADING CO". I could hear a live band playing some music through the double stained glass doors of this antique built saloon. and that's exactly what this place reminded me of as I walked through the doors of this hard wood floored twelve brassed spittoon saloon.

I gazed at the BAR with my eyes wide open. Taking in the sight of all the different BEERS they had on display above the BAR. It made me quite thirsty. So I walked up to the BAR and ordered a pitcher of one of Riverside's finest brewed BEERS, Cream Ale, made right around the corner at the Riverside Brewing Co. I took my ice cold BEER and proceeded to be entertained by the musical

talents of SHAWN JONES. A guitar slinger from who knows where. Singin' songs like his new original "LONG WAY DOWN", all about Man, Hell, God, Fire, and Brimstone.

Shawn finished his set, and I finished my BEER. I was ready for another. I order the same and told the waitress to invite a cold empty glass with it. No sooner than I got my BEER the next band had got on stage. "THE BUDDAH HEADS"!

The next thing I know I'm struck with these hearty tones and rhythm in sync. that were just remarkable.

The singer/lead guitar player known as Alan, sang his heart out and played like no one else could. He did something I've never heard done on a guitar before. With no special amp, no special effects pedals or pick-ups he played a solo that made his guitar sound like a violin from space.

Local musicians that were there to see this wonder of guitar playing could only stand there with their eyes and mouths wide open. As the dust settled I could see across the whole room, and not a person in the place missed one bit of that solo.

If you ever get the chance to see "THE BUDDAH HEADS" be sure to stand away from the stage or you just might get burnt.

BLUE BY NATURE

Well, what can I say? I had to write about this band. They caught me like no other band has in a long time. I'm left speechless, when I see them.

Karen Lawrence singer/songwriter has a voice that would make a grown man cry for her love. And topped with her beauty it makes it hard for anyone not to tell her so. Rick Dufay, lead guitarist, plays like it's so easy to play the guitar.

This awesome combo blended with their rhythm section make for one band that is headed for the top like a rocket.

Blue By Nature consist of:

**Karen Lawrence -
Vocalist/Songwriter**

**Rick Dufay -
Lead Guitar**

**Fred Hostetler -
Rhythm Guitar**

**Charlie Diaz -
Bassist**

**Noj Manhob -
Drums**
